Note: Route follows Blue Arrows. 16415 Yeoho Road is Bernie Shiao's home where he will leave a table with tools, food, and water. It's the 2nd driveway on the right just past the intersection of benson mill and yeoho (Driveway right after the barn). Be careful though, you crest a small hill and then it's a kind of hidden driveway and the house is in the woods so you can't really see it from the road. When you leave to get back to riding be careful exiting the driveway, cars may be coming from the left over the hill at speeds up to 50 and wouldn't be able to stop in time.
